Dance/Movement Therapy for Infants and Young Children with Medical Illness

Treating Somatic and Psychic Distress

Suzi Tortora and Miri Keren

Series: DMT with Infants, Children, Teens, and Families

This book presents dance/movement therapy as a window into the emotional and internal experience of a baby with a medical illness, within the context of treating the whole family system and using the DC 0-5 as the basis for formulating the clinical situation.

This exciting new book is essential reading for clinicians and mental health professionals working with infants and their families.
